

Here are the ingredients for my chili. This is my award winning chili recipe. I've been making since the 70s, and over the years I've refined and (I think) perfected the recipe. I've been asked what masa flour is. It's really just corn flour. You can find it in the baking section of your grocery store.

Remember, this is a base chili. Feel free to add whatever you like in your chili, vegetables, beans, or any kind of meat. Enjoy!

Chili

1/2 cup	chili powder
1/4 cup	onion powder
1/4 cup	minced onion
1/4 cup	paprika
1/4 cup	garlic powder
1/4 cup	oregano
2 tbsp	black pepper
2 tbsp	salt (to taste)
2 tbsp	cumin
1 tbsp	cayenne pepper (for heat)

Meat

2 lbs ground round (80 – 20)
2 lbs chopped meat (your choice)

Other Stuff

1 large can tomato sauce (keep the can to add the water)
Masa flour (thickening agent)
Black beans (I use two cans. You can use as much of a little as you like)
